council in excess of £250,000 per annum. Staff accommodation is included in the efficiency plan for ESBC.  There is a considerable time pressure to have this work completed.  East Staffordshire Borough Council established its offices at the Maltsters in May 2011 and a 10 year lease agreement was signed with the Landlord on 26th August 2011.  A break clause in the agreement, allowing ESBC to terminate this arrangement was triggered in May 2016 effectively giving two years notice to vacate the premises – therefore we would need to vacate the premises by May 2018. Any refurbishment works at the Town Hall are estimated to take 5-6 months.  Directly appointing Pozzoni Architects rather going out to retrieve three quotes would save valuable time in the project plan. In addition, Pozzoni are a trusted professional supplier to the council having successfully delivered the recent		
The development work is to produce a specification and cost envelope to develop, refurbish and modernise the identified areas within the Town Hall for office accommodation for circa 90 workstations in order to go out to market to appoint a suitable contractor to carry out the works.  B2 What are the reasons for the Decision?  There have been unprecedented budget pressures on Local Authorities and moving staff from the Maltsters to the Town Hall could save the council in excess of £250,000 per annum.
