B10.1 The main legal issues arising from this decision are as follows:

Under s1 Localism Act 2011, authorities have a power of competence to do anything which an individual can do, which includes the power to grant funding to organisations.

The Grant Funding will not amount to a state subsidy under the Subsidy Control Act 2023, as the amount to be granted is less than the Minimal Financial Assistance level of £315,000.

The Terms of the funding will be incorporated into a Grant Agreement that sets out the terms for how the funding must be spent, and will contain claw-back provisions

The funding must also be delivered in line with the Government's guidance on UKSPF funding, including requirements on project promotion and marketing.
