1. Introduction

This report summarises the work of Internal Audit to early September 2017, in relation to the 2016/17 and 2017/18 internal audit plan delivery.

The purpose of the report is to:

- Show progress against the audit plans;
- Summarise the key findings and conclusions arising from our work during the period;
- Provide details of planned work;
- Update on the implementation of actions agreed by management in relation to internal audit recommendations.

2. Progress summary

Delivery of the Internal Audit plan for 2016/17 is substantially complete as previously reported, with just a final report on our review on Asset Register remaining to be agreed and issued. Appendix 1 provides the current status of all audit assignments from the 2017/18 plan, together with the opinions we have provided in each case where appropriate.

3. Reviews completed

The following reviews have been completed and a final report issued, since the last meeting of this Committee.

Review	Status
2017/18 Business Continuity Planning	Final report issued
2017/18 Treasury Management	Final letter issued
2017/18 Pensions Assurance to County Council	Completed
2016/17 Licensing Service and income	Final report issued

2017/18 Millers Lane asset control and security	In progress
2017/18 Debtors and Debt Recovery	In progress

4. Recommendation tracking

Recommendations and agreed actions are uploaded to a web-based database when reports are finalised. Managers access the system, and update status and mark actions as implemented when appropriate. The first table below sets out a summary of agreed actions, which were due to be implemented by 31/8/17. The second table shows the age of those agreed actions (based on the original date due for implementation) which are not yet complete. Members should note that the status of each action is as stated by management and not verified by Internal Audit unless a specific follow up has been undertaken.

Summary	1 Critical	2 High	3 Medium	4 Low	Total
Due by 31/8/17	-	18	166	45	229
Implemented	-	18	151	40	209

In progress but not complete	-	-	-	1	1
Outstanding (not started)	-	-	-	-	-

Time overdue for actions o/s or not complete	1 Critical	2 High	3 Medium	4 Low	Total
Less than 3 months	-	-	-	1	1
3 – 6 months	-	-	-	-	-
Greater than 6 months	-	-	-	-	-
Total	-	-	-	1	1

As previously requested by the Committee, a summary for all agreed actions which were due for implementation by 31/8/17 and which managers have not yet recorded as fully implemented, are set out below, together with a summary of the most recent update from managers/officers responsible. As the action tracking system is based on management updates to agreed actions, this does not imply that Internal Audit has verified the status in these cases. In this case there is 1 outstanding action:

2016/17 Markets – we recommended that management consider installing additional CCTV coverage in the Markets office, which was agreed. We have been advised that quotes have been obtained and a camera is to be installed, thus will consider this item actioned going forward.
