

**PUBLIC EXECUTIVE DECISION RECORD**

**Deputy Leader (Cultural Services)**

<b>No</b>	<b>Decision</b>	<b>Reason</b>	<b>Key</b>	<b>Confidential</b>	<b>Date taken</b>
843/17	To alter the current Burton and District Arts Council (BADAC) discount of 20% in hire fees for the Brewhouse Arts Centre for all BADAC members to: 10% discount for commercial community groups and organisations & 20% discount for charities and voluntary community groups and organisations	Following dissolving of BADAC from April 2018 the current 'BADAC discount' approved as part of the Brewhouse pricing structure from September 2016 will no longer be applicable or enforceable as it applied to arts organisations which were registered members of BADAC. To maintain a good working relationship with the large number of amateur dramatic companies in the Borough and to continue to support Brewhouse regular users, an alternative discount rate needs to be put in place from April 2018 alongside the annual price increases in line with ESBC's pricing policy. The proposed 2 tier discount structure reflects the need to continue to support the growing number of small organisations i.e. dance schools, who as members, were benefiting from the BADAC discount, but also reflects their commercial status and the need to work with these organisations in a different way to the voluntary and charity sector.
