

| EDR Num | Decision | Reason | Key Decision | Confidential | Date of Decision |
|------------------------|---|---|--------------|--------------|------------------|
| 106.19 | To award the cash collection contract (for car parks and facilities) to Security Plus + Ltd by accessing the Eastern Shires Purchasing Organisation (ESPO) framework. This contract is to be awarded by Mini Competition. | The cash collection shires contract awarded to Jade Security Services expires 31st December 2019. The Programmes and Transformation Team have found a cash collection framework through ESPO. The services covered under the new contract include collection of all cash from the Council's Car Parks and various buildings including the Depot, Brewhouse and the Cemetery. | No | No | 23/12/2019 |
| 135.19 | To adopt the revised Local Validation Requirements for submission of Planning Applications. | Local Validation requirements should be reviewed every two years, therefore a recent consultation exercise has been undertaken. Those consulted were: Planning Agents, Internal Consultees, External Consultees, Parish Councils, Ward Councillors and Planning staff. Comments were received from eight external consultees, five members of the Planning staff, one agent, one Councillor, two Parish Councils, SCC Ecologist & Flood Risk officer and ESBC Environmental Health section. All comments were considered and where appropriate the document has been amended accordingly. | No | No | 11/12/2019 |
| 154.20 | To offer an extension to the contract of the current bar supplier (Saffron Catering Limited) at the Civic Function Suite of up to 12 months, with effect from 01/04/2020. Maintaining the current terms and conditions. | The current corporate plan target for the review of the Brewhouse, Arts and Town Hall Service is currently ongoing and the outcome of the review/a decision on the review is due to be made in March 2020 when the current bar contract ends. It is proposed that an extension be given to the current bar suppliers to minimise any potential disruption to the CFS service, its staff and customers whilst any potential actions arising from that review are put into place during 2020/21. The 12 month extension will be offered with the ability to cancel on the giving of 3 months notice in order to offer flexibility to both parties for any potential changes to future delivery. | No | No | 21/01/2020 |
