The contents of this report relate only to the matters which have come to our attention, which we believe need to be reported to you as part of our audit planning process. It is not a comprehensive record of all the relevant matters, which may be subject to change, and in particular we cannot be held responsible to you for reporting all of the risks which may affect the Council or all weaknesses in your internal controls. This report has been prepared solely for your benefit and should not be quoted in whole or in part without our prior written consent. We do not accept any responsibility for any loss occasioned to any third party acting, or refraining from acting on the basis of the content of this report, as this report was not prepared for, nor intended for, any other purpose.

This Audit Findings presents the observations arising from the audit that are significant to the responsibility of those charged with governance to oversee the financial reporting process, as required by International Standard on Auditing (UK) 260. Its contents have been discussed with management.

*Michael Green*

Name : Michael Green

For Grant Thornton UK LLP

Date: 23 September 2021

Grant Thornton UK LLP is a limited liability partnership registered in England and Wales: No.OC307742. Registered office: 30 Finsbury Square, London, EC2A 1AG. A list of members is available from our registered office. Grant Thornton UK LLP is authorised and regulated by the Financial Conduct Authority. Grant Thornton UK LLP is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. Services are delivered by the member firms. GTIL and its member firms are not agents of, and do not obligate, one another and are not liable for one another's acts or omissions.

# 1. Headlines

This table summarises the key findings and other matters arising from the statutory audit of East Staffordshire Borough Council ('the Council') and the preparation of the Council's financial statements for the year ended 31 March 2021 for those charged with governance.

## Financial Statements

Under International Standards of Audit (UK) (ISAs) and the National Audit Office (NAO) Code of Audit Practice ('the Code'), we are required to report whether, in our opinion:

- the Council's financial statements give a true and fair view of the financial position of the Council and its income and expenditure for the year; and
- have been properly prepared in accordance with the CIPFA/LASAAC code of practice on local authority accounting and prepared in accordance with the Local Audit and Accountability Act 2014.

We are also required to report whether other information published together with the audited financial statements (including the Annual Governance Statement (AGS), Narrative Report and Pension Fund Financial Statements), is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Our audit work was completed remotely during June-September. Our findings are summarised on pages 5 to 20. Based on the work completed to date, we have identified a small number of disclosure adjustments. Adjusted and unadjusted misstatements are detailed in Appendix A.

Our work is substantially complete and there are no matters of which we are aware that would require modification of our audit opinion (Appendix C) or material changes to the financial statements, subject to the following outstanding matters:

- receipt of the required assurances from the auditors of the Staffordshire Pension Fund;
- clearing of review points from engagement lead file review including those related to PPE valuations and journals testing;
- receipt of management representation letter; and
- review of the final set of financial statements.

We have concluded that the other information to be published with the financial statements, is consistent with our knowledge of your organisation and the financial statements we have audited.

Our anticipated audit report opinion will be unmodified with the anticipated inclusion of an Emphasis of Matter paragraph highlighting a material uncertainty in relation to the Authority's share of the pension fund's property assets.

# 1. Headlines

## Value for Money (VFM) arrangements

Under the National Audit Office (NAO) Code of Audit Practice ('the Code'), we are required to consider whether the Council has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources. Auditors are now required to report in more detail on the Council's overall arrangements, as well as key recommendations on any significant weaknesses in arrangements identified during the audit.

Auditors are required to report their commentary on the Council's arrangements under the following specified criteria:

- Improving economy, efficiency and effectiveness;
- Financial sustainability; and
- Governance

We have not yet completed all of our VFM work and so are not in a position to issue our Auditor's Annual Report. An audit letter explaining the reasons for the delay is attached in the Appendix E to this report. We expect to issue our Auditor's Annual Report by the end of December 2021. This is in line with the National Audit Office's revised deadline, which requires the Auditor's Annual Report to be issued no more than three months after the date of the opinion on the financial statements.

As part of our work, we considered whether there were any risks of significant weakness in the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources. We did not identify any risks of significant weaknesses as part of our planning procedures or from the work we have completed to date.

## Statutory duties

The Local Audit and Accountability Act 2014 ('the Act') also requires us to:

- report to you if we have applied any of the additional powers and duties ascribed to us under the Act; and
- to certify the closure of the audit.

We have not exercised any of our additional statutory powers or duties.

We expect to certify the completion of the audit upon the completion of our work on the Council's VFM arrangements, which will be reported in our Annual Auditor's report by the end of December 2021.

## Significant Matters

We did not encounter any significant difficulties or identify any significant matters arising during our audit.

## 2. Financial Statements

### Overview of the scope of our audit

This Audit Findings Report presents the observations arising from the audit that are significant to the responsibility of those charged with governance to oversee the financial reporting process, as required by International Standard on Auditing (UK) 260 and the Code of Audit Practice ('the Code'). Its contents have been discussed with management.

As auditor we are responsible for performing the audit, in accordance with International Standards on Auditing (UK) and the Code, which is directed towards forming and expressing an opinion on the financial statements that have been prepared by management with the oversight of those charged with governance. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities for the preparation of the financial statements.

### Audit approach

Our audit approach was based on a thorough understanding of the Council's business and is risk based, and in particular included:

- An evaluation of the Council's internal controls environment, including its IT systems and controls;
- Substantive testing on significant transactions and material account balances, including the procedures outlined in this report in relation to the key audit risks

### Conclusion

We have substantially completed our audit of your financial statements and subject to outstanding work being resolved, we anticipate issuing an unqualified audit opinion following the Scrutiny (Audit and Value for Money Council Services) Committee meeting on 23 September 2021, as detailed in Appendix C. These outstanding items are detailed on page 3.

### Acknowledgements

We would like to take this opportunity to record our appreciation for the assistance provided by the finance team and other staff.

## 2. Financial Statements

### Our approach to materiality

The concept of materiality is fundamental to the preparation of the financial statements and the audit process and applies not only to the monetary misstatements but also to disclosure requirements and adherence to acceptable accounting practice and applicable law.

Materiality levels remain the same as reported in our audit plan on 24 June 2021. We detail in the table below our determination of materiality for the Council.

### Amount (£) Qualitative factors considered

Materiality for the financial statements	0.901m	Financial performance of the Council, focussing on the cost of service provision.
Performance materiality	0.676m	Quality of working papers in prior year and Council response to audit processes
Trivial matters	0.045m	The amount below which matters would be considered trivial to the reader of the accounts.
Materiality for senior officer remuneration disclosures	0.0073m	Materiality has been reduced for remuneration disclosures due to the sensitive nature and public interest

## 2. Financial Statements - Significant risks

Significant risks are defined by ISAs (UK) as risks that, in the judgement of the auditor, require special audit consideration. In identifying risks, audit teams consider the nature of the risk, the potential magnitude of misstatement, and its likelihood. Significant risks are those risks that have a higher risk of material misstatement.

This section provides commentary on the significant audit risks communicated in the Audit Plan.

Risks identified in our Audit Plan	Commentary
<p><b>Recognition of revenue and expenditure</b></p> <p>Under ISA (UK) 240 there is a rebuttable presumed risk that revenue and expenditure may be misstated due to improper recognition.</p> <p>This presumption can be rebutted if the auditor concludes that there is no risk of material misstatement due to fraud relating to improper recognition.</p>	<p>In our audit plan, we assessed that the risk of misstatement due to fraud in the recognition of revenue or expenditure could be rebutted.</p> <p>We have reconsidered our assessment in light of our audit findings and consider that there is no change to our assessment of this risk.</p>
<p><b>Management override of controls</b></p> <p>Under ISA (UK) 240 there is a non-rebuttable presumed risk that the risk of management override of controls is present in all entities.</p> <p>We therefore identified management override of control, in particular journals, management estimates and transactions outside the normal course of business, as a significant risk.</p>	<p>We have:</p> <ul style="list-style-type: none"> <li>evaluated the design effectiveness of management controls over journals</li> <li>analysed the journals listing and determined the criteria for selecting high risk unusual journals</li> <li>tested unusual journals recorded during the year and during the accounts production stage for appropriateness and corroboration</li> <li>gained an understanding of the accounting estimates and critical judgements applied made by management and considered their reasonableness with regard to corroborative evidence</li> </ul> <p>A sample of journals was selected based on consideration of specific risk based criteria. Testing has not identified any instances of management override and that journal entries are consistent with expectations.</p> <p>We did not identify any changes in accounting policies or estimation processes and review of key estimates has not identified any matters to bring to your attention.</p>

## 2. Financial Statements - Significant risks

### Risks identified in our Audit Plan

### Commentary

#### Valuation of the pension fund net liability

The Authority's pension fund net liability, as reflected in its balance sheet as the net defined benefit liability, represents a significant estimate in the financial statements. The pension fund net liability is considered a significant estimate due to the size of the numbers involved (£58.3m in the Authority's balance sheet) and the sensitivity of the estimate to changes in key assumptions.

The methods applied in the calculation of the IAS 19 estimates are routine and commonly applied by all actuarial firms in line with the requirements set out in the Code of practice for local government accounting (the applicable financial reporting framework). We have therefore concluded that there is not a significant risk of material misstatement in the IAS 19 estimate due to the methods and models used in their calculation.

The source data used by the actuaries to produce the IAS 19 estimates is provided by administering authorities and employers. We do not consider this to be a significant risk as this is easily verifiable.

The actuarial assumptions used are the responsibility of the entity but should be set on the advice given by the actuary. A small change in the key assumptions (discount rate, inflation rate, salary increase and life expectancy) can have a significant impact on the estimated IAS 19 liability. In particular the discount and inflation rates, where our consulting actuary has indicated that a 0.1% change in these two assumptions would have approximately 2% effect on the liability. We have therefore concluded that there is a significant risk of material misstatement in the IAS 19 estimate due to the assumptions used in their calculation. With regard to these assumptions we have therefore identified valuation of the Authority's pension fund net liability as a significant risk.

We have:

- updated our understanding of the processes and controls put in place by management to ensure that the Council's pension fund net liability is not materially misstated, and evaluate the design of the associated controls
- evaluated the instructions issued by management to their management expert (the actuary) for this estimate and the scope of the actuary's work
- assessed the competence, capabilities and objectivity of the actuary who carried out the Council's pension fund valuation
- assessed the accuracy and completeness of the information provided by the Council to the actuary to estimate the liability
- tested the consistency of the pension fund asset and liability and disclosures in the notes to the core financial statements with the actuarial report from the actuary
- undertaken procedures to confirm the reasonableness of the actuarial assumptions made by reviewing the report of the consulting actuary (as auditor's expert) and performing any additional procedures suggested within the report

Pages 11-12 provide a detailed assessment of the estimation process for the valuation of the pension fund net liability.

Management had obtained a supporting paper from the actuary to explain key movements in the liability compared to the previous year. Our procedures to review assumptions using the work of an auditor experts has found that the assumptions used by the management expert were reasonable and in line with expectations.

We have reviewed the accounting entries made in respect of the pension fund net liability and associated presentation and disclosure within the financial statements. This work has not identified any matters to bring to your attention.

We have been unable to finalise our work in this area as we are awaiting receipt of the requested assurances from the auditor of Staffordshire Pension Fund as to the controls surrounding the validity and accuracy of membership data, contributions data and benefits data sent to the actuary by the pension fund and the fund assets valuation in the pension fund financial statements. This is expected to be received on 24<sup>th</sup> September 2021 and will require us to review assurances provided and conduct follow up procedures as relevant.

We expect that the pension fund auditor will report that there is a material uncertainty disclosure within the accounts of the pension fund in respect of the valuation of property assets. Any such uncertainty will be reflected in the financial statements of the Council, given a share of these assets are attributable to the Council. We anticipate our audit report will reference such an uncertainty within an emphasis of matter paragraph.

## 2. Financial Statements - Significant risks

### Risks identified in our Audit Plan

### Commentary

#### Valuation of land, buildings, and investment properties

The Council revalues its land and buildings on a rolling five-yearly basis, and revalues its investment properties on an annual basis.

These valuations represent a significant estimate by management in the financial statements due to the values involved.

We have therefore identified valuation of land, buildings and investment properties as a significant risk.

We have:

- evaluated management's processes and assumptions for the calculation of the estimate, the instructions issued to valuation experts and the scope of their work
- evaluated the competence, capabilities and objectivity of the valuation experts
- discussed with the valuer the basis on which the valuation was carried out to ensure that the requirements of the Code are met
- challenged the information and assumptions used by the valuer to assess completeness and consistency with our understanding
- performed a specific review and challenge of assumptions around assets valued based on income generation such as Council car parks
- considered the implications of valuations being undertaken at 31 December 2020 for some assets, three months prior to the date of the financial statements
- tested revaluations made during the year to see if they had been input correctly into the Council's asset register

Page 13 provides a detailed assessment of the estimation process for the valuation of land, buildings and investment properties.

We have substantially completed our procedures as set out above, subject to clearance of a number of outstanding review points. To date, our audit work has not identified any material issues in respect of valuation of land, buildings or investment properties.

One of the Council's valuers has reported a "material valuation uncertainty" in respect of two assets being revalued (one surplus asset and one investment property, on the basis of insufficient current market evidence in respect of the assets. This is disclosed in Note 13 to the financial statements for the surplus asset which has a material value of £1m.

Given the declared uncertainty is in relation only to two assets of the Council, it is our judgement that there is no significant resultant risk of material misstatement of PPE or investment property valuations. On this basis we will not reflect the uncertainty as an emphasis of matter paragraph within the auditor's report.

## 2. Financial Statements – new issues and risks

This section provides commentary on new issues and risks which were identified during the course of the audit that were not previously communicated in the Audit Plan.

Issue	Commentary	Auditor view
<p><b>Recognition and Presentation of Grant Income</b></p> <ul style="list-style-type: none"> <li>The Council receives a number of grants and contributions and is required to follow the requirements set out in sections 2.3 and 2.6 of the Code. The main considerations are to determine whether the Council is acting as principal/ agent, and if there are any conditions outstanding (as distinct from restrictions) that would determine whether the grant be recognised as a receipt in advance or income. The Council also needs to assess whether grants are specific, and hence credited to service revenue accounts, or of a general or capital nature in which case they are credited to taxation and non-specific grant income.</li> </ul>	<p>We have performed substantive testing of both grant income where the Council has accounted for the income as a principal, and where is has accounted for grant income as an agent.</p> <p>The results of our substantive testing did not identify any instances where grant income had been incorrectly treated.</p> <p>We also reviewed the disclosures relating to grant income in the financial statements, and did not identify any issues.</p>	<p>Grant income has been accounted for in accordance with the Code.</p>

## 2. Financial Statements - key judgements and estimates

This section provides commentary on key estimates and judgements inline with the enhanced requirements for auditors.

Significant judgement or estimate	Summary of management's approach	Audit Comments	Assessment																								
Net pension liability – £58m	<p>The Council's net pension liability at 31 March 2021 is £58m (PY £47m) (comprising the Staffordshire Pension Fund Local Government and unfunded defined benefit pension scheme obligations.).</p> <p>The Council uses Hymans Robertson to provide actuarial valuations of the Council's assets and liabilities derived from this scheme.</p> <p>A full actuarial valuation is required every three years. The latest full actuarial valuation was completed in 2019.</p> <p>Given the significant value of the net pension fund liability, small changes in assumptions can result in significant valuation movements.</p> <p>There has been a £11m net actuarial loss during 2020/21.</p>	<p>We have:</p> <ul style="list-style-type: none"> <li>• Deepened our risk assessment procedures performed including understanding management's processes and controls for the determination of the estimates. ### Assessment

- **Dark Purple** We disagree with the estimation process or judgements that underpin the estimate and consider the estimate to be potentially materially misstated
- **Blue** We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider optimistic
- **Grey** We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider cautious
- **Light Purple** We consider management's process is appropriate and key assumptions are neither optimistic or cautious

## 2. Financial Statements - key judgements and estimates

Significant judgement or estimate	Summary of management's approach	Audit Comments	Assessment
Net pension liability – £58m		<p><i>Continued from page 11...</i></p> <ul style="list-style-type: none"> <li>Tested the consistency of the pension fund asset and liability and disclosures in the notes to the core financial statements with the actuarial report from the actuary</li> <li>Considered the reasonableness of changes in estimated values based on all of the available evidence</li> <li>Considered the adequacy of the disclosure of the estimates in the financial statements</li> </ul> <p>As noted on page 8, our work on pension liabilities is ongoing, pending receipt of assurances from the auditor of Staffordshire Pension Fund as to the controls surrounding the validity and accuracy of membership data, contributions data and benefits data sent to the actuary by the pension fund and the fund assets valuation in the pension fund financial statements.</p> <p>However, this does not impact on our assessment of the key judgements and estimates taken by management. We are satisfied that management's process for producing this estimate is robust.</p>	Light Purple

### Assessment

## 2. Financial Statements - key judgements and estimates

Significant judgement or estimate	Summary of management's approach	Audit Comments	Assessment
Grant Income Recognition and Presentation - £83m	<p>The Council has received £39m of funding from government grant schemes relating to Covid-19, where the Council has judged that it is acting as an agent on behalf of central government. These grants have not been recognised as income but are disclosed in the financial statements. The related cash and creditor balances have been recognised in the balance sheet.</p> <p>The Council has also received grants of £44m from central government, which it has recognised as income in the CIES because there are no conditions attached to the funding and/or the Council has judged that it is acting as a principal. The recognition of this grant income is split between income credited to taxation and non-specific grant income (£18m) and income credited to services (£26m).</p> <p>For a small number of government grants received, the Council has yet recognise the grants as income as they have conditions attached to them that will require the monies or property to be returned to the giver. The net decrease (taking into account amounts received in year and amounts released to income) in grants received in advance was grants is £0.2m.</p> <p>Management have developed criteria and individually assessed each stream of grant funding to determine the appropriate basis of recognition/disclosure.</p>	<p>We have:</p> <ul style="list-style-type: none"> <li>Developed our understanding of management's processes relating to the recognition of grants</li> <li>Performed substantive testing of grants not recognised as income to confirm correct classification</li> <li>Performed substantive testing of grants recognised as income to confirm the criteria for recognition have been met and that income has been correctly recognised as specific or non-specific grant</li> <li>Considered the adequacy of disclosures relating to grants in the financial statements</li> </ul> <p>Our work has not identified any issues to report in respect of grant recognition and presentation.</p>	Light Purple

### Assessment

- Dark Purple We disagree with the estimation process or judgements that underpin the estimate and consider the estimate to be potentially materially misstated
- Blue We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider optimistic
- Grey We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider cautious
- Light Purple We consider management's process is appropriate and key assumptions are neither optimistic or cautious

## 2. Financial Statements - other communication requirements

We set out below details of other matters which we, as auditors, are required by auditing standards and the Code to communicate to those charged with governance.

Issue	Commentary
Matters in relation to fraud	We have previously discussed the risk of fraud with the Scrutiny (Audit and Value for Money Council Services) Committee. We have not been made aware of any other incidents in the period and no other issues have been identified during the course of our audit procedures.
Matters in relation to related parties	We are not aware of any related parties or related party transactions which have not been disclosed.
Matters in relation to laws and regulations	You have not made us aware of any significant incidences of non-compliance with relevant laws and regulations and we have not identified any incidences from our audit work.
Written representations	A letter of representation has been requested from the Council, which is included at Appendix D. Specific representations have been requested from management in respect of the significant assumptions used in making accounting estimates for the valuation of land and buildings and the valuation of the net pension fund liability, and in relation to the unadjusted misstatements in the financial statements.

## 2. Financial Statements - other communication requirements

Issue	Commentary
Confirmation requests from third parties	We requested from management permission to send confirmation requests in relation to cash and investment balances. This permission was granted and the requests were sent. All of these requests were returned with positive confirmation.
Accounting practices	We have evaluated the appropriateness of the Council's accounting policies, accounting estimates and financial statement disclosures. Our review found no material omissions in the financial statements.
Audit evidence and explanations/ significant difficulties	All information and explanations requested from management were provided.

## 2. Financial Statements - other communication requirements

### Our responsibility

As auditors, we are required to “obtain sufficient appropriate audit evidence about the appropriateness of management's use of the going concern assumption in the preparation and presentation of the financial statements and to conclude whether there is a material uncertainty about the entity's ability to continue as a going concern” (ISA (UK) 570).

Issue	Commentary
Going concern	<p>In performing our work on going concern, we have had reference to Statement of Recommended Practice – Practice Note 10: Audit of financial statements of public sector bodies in the United Kingdom (Revised 2020). The Financial Reporting Council recognises that for particular sectors, it may be necessary to clarify how auditing standards are applied to an entity in a manner that is relevant and provides useful information to the users of financial statements in that sector. Practice Note 10 provides that clarification for audits of public sector bodies.</p> <p>Practice Note 10 sets out the following key principles for the consideration of going concern for public sector entities:</p> <ul style="list-style-type: none"> <li>the use of the going concern basis of accounting is not a matter of significant focus of the auditor's time and resources because the applicable financial reporting frameworks envisage that the going concern basis for accounting will apply where the entity's services will continue to be delivered by the public sector. In such cases, a material uncertainty related to going concern is unlikely to exist, and so a straightforward and standardised approach for the consideration of going concern will often be appropriate for public sector entities</li> <li>for many public sector entities, the financial sustainability of the reporting entity and the services it provides is more likely to be of significant public interest than the application of the going concern basis of accounting. Our consideration of the Council's financial sustainability is addressed by our value for money work, which is covered elsewhere in this report.</li> </ul> <p>Practice Note 10 states that if the financial reporting framework provides for the adoption of the going concern basis of accounting on the basis of the anticipated continuation of the provision of a service in the future, the auditor applies the continued provision of service approach set out in Practice Note 10. The financial reporting framework adopted by the Council meets this criteria, and so we have applied the continued provision of service approach. In doing so, we have considered and evaluated:</p> <ul style="list-style-type: none"> <li>the nature of the Council and the environment in which it operates</li> <li>the Council's financial reporting framework</li> <li>the Council's system of internal control for identifying events or conditions relevant to going concern</li> <li>management's going concern assessment.</li> </ul> <p>On the basis of this work, we have obtained sufficient appropriate audit evidence to enable us to conclude that:</p> <ul style="list-style-type: none"> <li>a material uncertainty related to going concern has not been identified</li> <li>management's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.</li> </ul>

## 2. Financial Statements - other responsibilities under the Code

Issue	Commentary
Other information	<p>We are required to give an opinion on whether the other information published together with the audited financial statements (including the Annual Governance Statement, Narrative Report and Pension Fund Financial Statements), is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.</p> <p>No inconsistencies have been identified. We plan to issue an unmodified opinion in this respect.</p>
Matters on which we report by exception	<p>We are required to report on a number of matters by exception in a number of areas:</p> <ul style="list-style-type: none"> <li>• if the Annual Governance Statement does not comply with disclosure requirements set out in CIPFA/SOLACE guidance or is misleading or inconsistent with the information of which we are aware from our audit,</li> <li>• if we have applied any of our statutory powers or duties.</li> <li>• where we are not satisfied in respect of arrangements to secure value for money and have reported a significant weakness.</li> </ul> <p>We have nothing to report on these matters.</p>

## 2. Financial Statements - other responsibilities under the Code

Issue	Commentary
Specified procedures for Whole of Government Accounts	<p>We are required to carry out specified procedures (on behalf of the NAO) on the Whole of Government Accounts (WGA) consolidation pack under WGA group audit instructions.</p> <p>However, in the case of the Council, no work is required as the entity is below the audit threshold determined by the NAO.</p>
Certification of the closure of the audit	<p>We intend to delay the certification of the closure of the 2020/21 audit of the Council in the audit report, as detailed in Appendix E, due to further time being needed to complete our VFM work. The NAO has extended the timetable for completion of this work to three months post completion of the financial statements audit.</p>

# 3. Value for Money arrangements

## Revised approach to Value for Money work for 2020/21

On 1 April 2020, the National Audit Office introduced a new Code of Audit Practice which comes into effect from audit year 2020/21. The Code introduced a revised approach to the audit of Value for Money. (VFM)

There are three main changes arising from the NAO's new approach:

- A new set of key criteria, covering financial sustainability, governance and improvements in economy, efficiency and effectiveness
- More extensive reporting, with a requirement on the auditor to produce a commentary on arrangements across all of the key criteria.
- Auditors undertaking sufficient analysis on the Council's VFM arrangements to arrive at far more sophisticated judgements on performance, as well as key recommendations on any significant weaknesses in arrangements identified during the audit.

The Code require auditors to consider whether the body has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources. When reporting on these arrangements, the Code requires auditors to structure their commentary on arrangements under the three specified reporting criteria.

### Improving economy, efficiency and effectiveness

Arrangements for improving the way the body delivers its services. This includes arrangements for understanding costs and delivering efficiencies and improving outcomes for service users.

### Financial Sustainability

Arrangements for ensuring the body can continue to deliver services. This includes planning resources to ensure adequate finances and maintain sustainable levels of spending over the medium term (3-5 years)

### Governance

Arrangements for ensuring that the body makes appropriate decisions in the right way. This includes arrangements for budget setting and management, risk management, and ensuring the body makes decisions based on appropriate information

## Potential types of recommendations

A range of different recommendations could be made following the completion of work on the body's arrangements to secure economy, efficiency and effectiveness in its use of resources, which are as follows:

### Statutory recommendation

Written recommendations to the body under Section 24 (Schedule 7) of the Local Audit and Accountability Act 2014. A recommendation under schedule 7 requires the body to discuss and respond publicly to the report.

### Key recommendation

The Code of Audit Practice requires that where auditors identify significant weaknesses in arrangements to secure value for money they should make recommendations setting out the actions that should be taken by the body. We have defined these recommendations as 'key recommendations'.

### Improvement recommendation

These recommendations, if implemented should improve the arrangements in place at the body, but are not made as a result of identifying significant weaknesses in the body's arrangements

# 3. VFM - our procedures and conclusions

We have not yet completed all of our VFM work and so are not in a position to issue our Auditor's Annual Report. An audit letter explaining the reasons for the delay is attached in the Appendix E to this report.

We expect to issue our Auditor's Annual Report by the end of December 2021. This is in line with the National Audit Office's revised deadline, which requires the Auditor's Annual Report to be issued no more than three months after the date of the opinion on the financial statements.

We have evaluated the Council's arrangements relating to each of the VFM criteria, as well as the arrangements put in place by the Council in response to Covid-19.

Our work has included the review of documentation and structured interviews and enquiries with officers to inform our understanding of the Council's arrangements.

We have considered whether there were any risks of significant weakness in the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources. To date, we have not identified any such risks or findings that would impact the audit opinion on the accounts.

## 4. Independence and ethics

We confirm that there are no significant facts or matters that impact on our independence as auditors that we are required or wish to draw to your attention. We have complied with the Financial Reporting Council's Ethical Standard and confirm that we, as a firm, and each covered person, are independent and are able to express an objective opinion on the financial statements

We confirm that we have implemented policies and procedures to meet the requirements of the Financial Reporting Council's Ethical Standard and we as a firm, and each covered person, confirm that we are independent and are able to express an objective opinion on the financial statements.

Further, we have complied with the requirements of the National Audit Office's Auditor Guidance Note 01 issued in May 2020 which sets out supplementary guidance on ethical requirements for auditors of local public bodies.

Details of fees charged are detailed in Appendix D

### Transparency

Grant Thornton publishes an annual Transparency Report, which sets out details of the action we have taken over the past year to improve audit quality as well as the results of internal and external quality inspections. For more details see [Transparency report 2020 \(grantthornton.co.uk\)](https://www.grantthornton.co.uk/transparency-report-2020)

### Audit and non-audit services

For the purposes of our audit we have made enquiries of all Grant Thornton UK LLP teams providing services to the Council. The following non-audit services were identified.

Service	Fees £	Threats identified	Safeguards
Audit related			
Certification of Housing Benefit Claim	13,250 (proposed fee)	Self-Interest (because this is a recurring fee)	The level of this recurring fee taken on its own is not considered a significant threat to independence as the fee for this work is £13,250 in comparison to the total fee for the audit of £59,115 and in particular relative to Grant Thornton UK LLP's turnover overall. Further, it is a fixed fee and there is no contingent element to it. These factors all mitigate the perceived self-interest threat to an acceptable level.
		Self review (because GT provides audit services)	To mitigate against the self review threat, the timing of certification work is done after the audit has completed, materiality of the amounts involved to our opinion and unlikelihood of material errors arising and the Council has informed management who will decide whether to amend returns for our findings and agree the accuracy of our reports on grants.

# Appendices

# A. Audit Adjustments

We are required to report all non trivial misstatements to those charged with governance, whether or not the accounts have been adjusted by management.

## Impact of adjusted misstatements

There are no adjusted misstatements to report.

## Misclassification and disclosure changes

The table below provides details of misclassification and disclosure changes identified during the audit which have been made in the final set of financial statements.

In addition, a small number of minor changes have been agreed with the Council in relation to disclosure notes and accounting policies throughout the financial statements to improve accuracy, clarity and understandability. The final set of accounts remains subject to review ahead of closure of the audit.

Disclosure details	Auditor recommendations	Adjusted?
<p><u>Financial Instruments:</u></p> <p>Investments in money market funds (MMF) were categorised as held at amortised cost. This did not comply with the requirements of IFRS 9, which requires categorisation as Fair Value Through Profit and Loss (FVTPL) unless certain criteria are met.</p> <p>We identified that some prepayments and receipts in advance, which should have been excluded from the disclosure because they do not meet the definition of financial instruments, had not been excluded.</p> <p>We noted that the information in the disclosure was not sufficient to enable the reader to reconcile financial assets and liabilities to the balance sheet.</p>	<p>Investments in money market funds should be categorised as FVTPL, and any gains or losses recognised in the CIES.</p> <p>Balances which do not meet the definition of financial assets and liabilities should be excluded from the disclosure.</p> <p>Information should be added to enable a reconciliation between financial assets and liabilities, and the balance sheet.</p> <p>The financial instruments disclosure was amended by management to address these issues, including restatement of the prior year comparative disclosures.</p> <p>Gains on the MMF investments are clearly trivial and the financial statements have not been amended in this respect.</p>	✓

# A. Audit Adjustments

## Impact of unadjusted misstatements

The table below provides details of adjustments identified during the 2020/21 audit which have not been made within the final set of financial statements. The Scrutiny (Audit and Value for Money Council Services) Committee is required to approve management's proposed treatment of all items recorded within the table below.

Detail	Comprehensive Income and Expenditure Statement £'000	Statement of Financial Position £' 000	Impact on total net expenditure £'000	Reason for not adjusting
Overstatement of the provision for business rate appeals, based on error in the calculation used to produce the estimate	(65)	65	(65)	Not material
<b>Overall impact</b>	<b>(65)</b>	<b>65</b>	<b>65</b>	

The Council has chosen not to make amendments for some minor disclosure issues we identified. These are not material to the financial statements.

# A. Audit Adjustments

## Impact of prior year unadjusted misstatements

The table below provides details of adjustments identified during the prior year audit which had not been made within the final set of 2019/20 financial statements.

Detail	Comprehensive Income and Expenditure Statement £'000	Statement of Financial Position £' 000	Impact on total net expenditure £'000	Reason for not adjusting
<p>The actual return on assets was lower than estimated returns used in preparing the financial statements. This resulted in an understatement of the net liability as at 31 March 2020 with a corresponding impact "below the line" on the CIES.</p> <p>This has been corrected by processing the revaluation for 2020/21.</p>	457	(457)	-	Not material
Overall impact	457	(457)	-	

# B. Fees

We confirm below our final fees charged for the audit and provision of non-audit services.

<b>Audit fees</b>	<b>Proposed fee</b>	<b>Final expected fee</b>
Council Audit	£59,115	£59,115
Total audit fees (excluding VAT)	£59,115	£59,115

<b>Non-audit fees for other services (to be agreed)</b>	<b>Proposed fee</b>	<b>Final expected fee</b>
<b>Audit Related Services</b>		
Certification of Housing Benefit subsidy claim	£13,250	£13,250
Total non-audit fees (excluding VAT)	£13,250	£13,250

# C. Draft Audit opinion

A draft audit opinion is included below.

We anticipate we will provide the Council with an unmodified audit report with an Emphasis of Matter paragraph relating to material uncertainty disclosed within the financial statements of Staffordshire Pension Fund.

**Independent auditor's report to the members of East Staffordshire Borough Council**

## **Report on the Audit of the Financial Statements**

### **Opinion on financial statements**

We have audited the financial statements of East Staffordshire Borough Council (the 'Authority') for the year ended 31 March 2021, which comprise the Comprehensive Income and Expenditure Statement, the Movement in Reserves Statement, the Balance Sheet, the Cash Flow Statement, the Collection Fund Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21.

In our opinion, the financial statements:

- give a true and fair view of the financial position of the Authority as at 31 March 2021 and of its expenditure and income for the year then ended;
- have been properly prepared in accordance with the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21; and
- have been prepared in accordance with the requirements of the Local Audit and Accountability Act 2014.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law, as required by the Code of Audit Practice (2020) ("the Code of Audit Practice") approved by the Comptroller and Auditor General. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter – material uncertainty reported in the financial statements of Staffordshire Pension Fund, affecting the Authority's share of property related assets held by Staffordshire Pension Fund**

We draw attention to Note 3 of the financial statements, which describes the effects of the Covid-19 pandemic on the valuation of the Authority's share of the pension fund's property investments as at 31 March 2021. As disclosed in Note 3 to the financial statements, the accounts of Staffordshire Pension Fund include a disclosure note about a material uncertainty in respect of the property funds it holds. Details of these can be found within the Staffordshire Pension Fund accounts. The Council's share of these funds is approximately 2% which equates to £8.4m. Therefore, less certainty can be attached to the valuation of these assets at 31<sup>st</sup> March 2021. Our opinion is not modified in respect of this matter.

### **Conclusions relating to going concern**

We are responsible for concluding on the appropriateness of the Chief Finance Officer's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the auditor's opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the Authority to cease to continue as a going concern. In our evaluation of the Chief Finance Officer's conclusions, and in accordance with the expectation set out within the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21 that the Authority's financial statements shall be prepared on a going concern basis, we considered the inherent risks associated with the continuation of services provided by the Authority.

# C. Audit opinion

In doing so we had regard to the guidance provided in Practice Note 10 Audit of financial statements and regularity of public sector bodies in the United Kingdom (Revised 2020) on the application of ISA (UK) 570 Going Concern to public sector entities. We assessed the reasonableness of the basis of preparation used by the Authority and the Authority's disclosures over the going concern period.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Authority's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the Chief Finance Officer's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

The responsibilities of the Chief Finance Officer with respect to going concern are described in the 'Responsibilities of the Authority, the Chief Finance Officer and Those Charged with Governance for the financial statements' section of this report.

## Other information

The Chief Finance Officer is responsible for the other information. The other information comprises the information included in the Statement of Accounts, the Narrative Statement, and the Annual Governance Statement, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

## Other information we are required to report on by exception under the Code of Audit Practice

Under the Code of Audit Practice published by the National Audit Office in April 2020 on behalf of the Comptroller and Auditor General (the Code of Audit Practice) we are required to consider whether the Annual Governance Statement does not comply with 'delivering good governance in Local Government Framework 2016 Edition' published by CIPFA and SOLACE or is misleading or inconsistent with the information of which we are aware from our audit. We are not required to consider whether the Annual Governance Statement addresses all risks and controls or that risks are satisfactorily addressed by internal controls.

We have nothing to report in this regard.

## Opinion on other matters required by the Code of Audit Practice

In our opinion, based on the work undertaken in the course of the audit of the financial statements and our knowledge of the Authority, the other information published together with the financial statements in the Statement of Accounts for the financial year for which the financial statements are prepared is consistent with the financial statements.

## Matters on which we are required to report by exception

Under the Code of Audit Practice, we are required to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make a written recommendation to the Authority under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014, in the course of, or at the conclusion of the audit.

We have nothing to report in respect of the above matters.

# C. Audit opinion

## Responsibilities of the Authority, the Chief Finance Officer and Those Charged with Governance for the financial statements

As explained in the Statement of Responsibilities set out on page X, the Authority is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of those affairs. In this authority, that officer is the Chief Finance Officer. The Chief Finance Officer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21, for being satisfied that they give a true and fair view, and for such internal control as the Chief Finance Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Chief Finance Officer is responsible for assessing the Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless there is an intention by government that the services provided by the Authority will no longer be provided.

The Scrutiny (Audit and Value for Money Council Services) Committee is Those Charged with Governance. Those Charged with Governance are responsible for overseeing the Authority's financial reporting process.

## Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

## Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Owing to the inherent limitations of an audit, there is an unavoidable risk that material misstatements in the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK).

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the Authority and determined that the most significant, which are directly relevant to specific assertions in the financial statements, are those related to the reporting frameworks (international accounting standards as interpreted and adapted by the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21, The Local Audit and Accountability Act 2014, the Accounts and Audit Regulations 2015, the Local Government Act 2003, the Local Government Act 1972, the Local Government Finance Act 2012, and the Local Government Finance Act 1988 (as amended by the Local Government Finance Act 1992).
- We enquired of senior officers and the Scrutiny (Audit and Value for Money Council Services) Committee, concerning the Authority's policies and procedures relating to:
  - the identification, evaluation and compliance with laws and regulations;
  - the detection and response to the risks of fraud; and
  - the establishment of internal controls to mitigate risks related to fraud or non-compliance with laws and regulations.
- We enquired of senior officers, internal audit, and the Scrutiny (Audit and Value for Money Council Services) Committee, whether they were aware of any instances of non-compliance with laws and regulations or whether they had any knowledge of actual, suspected, or alleged fraud.
- We assessed the susceptibility of the Authority's financial statements to material misstatement, including how fraud might occur, by evaluating officers' incentives and opportunities for manipulation of the financial statements. This included the evaluation of the risk of management override of controls. We determined that the principal risks were in relation to:

# C. Audit opinion

- Transactions of high value (in relation to average value), transactions with a material impact on outturn, unusual transactions, and manual transactions.
- Our audit procedures involved:
  - evaluation of the design effectiveness of controls that the Chief Finance Officer has in place to prevent and detect fraud;
  - journal entry testing, with a focus on journals of high value (in relation to average value), journals with a material impact on outturn, unusual journals, and manual journals;
  - challenging assumptions and judgements made by management in its significant accounting estimates in respect of the valuation of land and buildings (including surplus assets), investment properties and the LGPS net pension liability;
  - assessing the extent of compliance with the relevant laws and regulations as part of our procedures on the related financial statement item.
- These audit procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error. However, detecting irregularities that result from fraud is inherently more difficult than detecting those that result from error, as those irregularities that result from fraud may involve collusion, deliberate concealment, forgery or intentional misrepresentations. Also, the further removed non-compliance with laws and regulations is from events and transactions reflected in the financial statements, the less likely we would become aware of it.
- The team communications in respect of potential non-compliance with relevant laws and regulations, including the potential for fraud in revenue and expenditure recognition, and the significant accounting estimates related to the valuation of land and buildings (including surplus assets), investment property and the LGPS net pension liability.
- Assessment of the appropriateness of the collective competence and capabilities of the engagement team included consideration of the engagement team's
  - understanding of, and practical experience with audit engagements of a similar nature and complexity through appropriate training and participation
  - knowledge of the local government sector

- understanding of the legal and regulatory requirements specific to the Authority including:
  - the provisions of the applicable legislation
  - guidance issued by CIPFA, LASAAC and SOLACE
  - the applicable statutory provisions.
- In assessing the potential risks of material misstatement, we obtained an understanding of:
  - the Authority's operations, including the nature of its income and expenditure and its services and of its objectives and strategies to understand the classes of transactions, account balances, expected financial statement disclosures and business risks that may result in risks of material misstatement.
  - the Authority's control environment, including the policies and procedures implemented by the Authority to ensure compliance with the requirements of the financial reporting framework.

## Report on other legal and regulatory requirements – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

### Matter on which we are required to report by exception – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2021.

Our work on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources is not yet complete. The outcome of our work will be reported in our commentary on the Authority's arrangements in our Auditor's Annual Report. If we identify any significant weaknesses in these arrangements, these will be reported by exception in a further auditor's report. We are satisfied that this work does not have a material effect on our opinion on the financial statements for the year ended 31 March 2021.

# C. Audit opinion

## Responsibilities of the Authority

The Authority is responsible for putting in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

## Auditor's responsibilities for the review of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to be satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We undertake our review in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in April 2021. This guidance sets out the arrangements that fall within the scope of 'proper arrangements'. When reporting on these arrangements, the Code of Audit Practice requires auditors to structure their commentary on arrangements under three specified reporting criteria:

- continue to deliver its services;
- Governance: how the Authority ensures that it makes informed decisions and properly manages its risks; and
- Improving economy, efficiency and effectiveness: how the Authority uses information about its costs and performance to improve the way it manages and delivers its services.

We document our understanding of the arrangements the Authority has in place for each of these three specified reporting criteria, gathering sufficient evidence to support our risk assessment and commentary in our Auditor's Annual Report. In undertaking our work, we consider whether there is evidence to suggest that there are significant weaknesses in arrangements.

## Report on other legal and regulatory requirements – Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate for East Staffordshire Borough Council for the year ended 31 March 2021 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice until we have completed our work on the Authority's arrangements for securing economy, efficiency, and effectiveness in its use of resources and issued our Auditor's Annual Report.

## Use of our report

This report is made solely to the members of the Authority, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the Authority's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

[Date] – [TO BE DATED SAME DATE AS DATE OF AUDIT OPINION]

**East Staffordshire Borough Council**  
**Financial Statements for the year ended 31 March 2021**

This representation letter is provided in connection with the audit of the financial statements of East Staffordshire Borough Council for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the Council financial statements are presented fairly, in all material respects in accordance with International Financial Reporting Standards, and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

## Financial Statements

- i. We have fulfilled our responsibilities for the preparation of the Council's financial statements in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 ("the Code"); in particular the financial statements are fairly presented in accordance therewith.
- ii. We have complied with the requirements of all statutory directions affecting the Council and these matters have been appropriately reflected and disclosed in the financial statements.
- iii. The Council has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

- v. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. Such accounting estimates include the valuation of land and buildings (including surplus assets and investment properties). We acknowledge the material valuation uncertainty noted in the Council's calculation report from one valuer. This is on the basis of uncertainties in markets caused by Covid-19, and we are satisfied that there have been no material impairment of asset values as assessed by the valuer. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. We understand our responsibilities includes identifying and considering alternative, methods, assumptions, or source data that would be equally valid under the financial reporting framework, and why these alternatives were rejected in favour of the estimate used. We are satisfied that the methods, the data, and the significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in accordance with the Code and adequately disclosed in the financial statements.
- vi. We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- vii. Except as disclosed in the financial statements:
  - a. there are no unrecorded liabilities, actual or contingent
  - b. none of the assets of the Council has been assigned, pledged, or mortgaged
  - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- viii. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.

# D. Management Letter of Representation

- ix. All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- x. We have considered the misclassification and disclosures changes schedules included in your Audit Findings Report. The Council's financial statements have been amended for these misclassifications and disclosure changes and are free of material misstatements, including omissions.
- xi. We have considered the unadjusted misstatements schedule included in your Audit Findings Report and attached in the Appendix to this letter. We have not adjusted the financial statements for these misstatements brought to our attention as they are immaterial to the results of the Council and its financial position at the year-end OR list reasons. The financial statements are free of material misstatements, including omissions.
- xii. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xiii. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xiv. We have updated our going concern assessment and cashflow forecasts in light of the Covid-19 pandemic. We continue to believe that the Council's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that :
  - a. the nature of the Council means that, notwithstanding any intention to liquidate the Council or cease its operations in their current form, it will continue to be appropriate to adopt the going concern basis of accounting because, in such an event, services it performs can be expected to continue to be delivered by related public authorities and preparing the financial statements on a going concern basis will still provide a faithful representation of the items in the financial statements
  - b. the financial reporting framework permits the entry to prepare its financial statements on the basis of the presumption set out under a) above; and

- c. the Council's system of internal control has not identified any events or conditions relevant to going concern.

We believe that no further disclosures relating to the Council's ability to continue as a going concern need to be made in the financial statements.

## Information Provided

- xv. We have provided you with:
  - a. access to all information of which we are aware that is relevant to the preparation of the Council's financial statements such as records, documentation, and other matters;
  - b. additional information that you have requested from us for the purpose of your audit; and
  - c. access to persons within the Council via remote arrangements, in compliance with the nationally specified social distancing requirements established by the government in response to the Covid-19 pandemic. from whom you determined it necessary to obtain audit evidence.
- xvi. We have communicated to you all deficiencies in internal control of which management is aware.
- xvii. All transactions have been recorded in the accounting records and are reflected in the financial statements.
- xviii. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- xix. We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the Council and involves:
  - a. management;
  - b. employees who have significant roles in internal control; or
  - c. others where the fraud could have a material effect on the financial statements.

# D. Management Letter of Representation

- xx. We have disclosed to you all information in relation to allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, analysts, regulators, or others.
- xxi. We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.
- xxii. We have disclosed to you the identity of the Council's related parties and all the related party relationships and transactions of which we are aware.
- xxiii. We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.

## Annual Governance Statement

- xxiv. We are satisfied that the Annual Governance Statement (AGS) fairly reflects the Council's risk assurance and governance framework, and we confirm that we are not aware of any significant risks that are not disclosed within the AGS.

## Narrative Statement

- xxv. The disclosures within the Narrative Statement fairly reflect our understanding of the Council's financial and operating performance over the period covered by the Council's financial statements.

## Approval

The approval of this letter of representation was minuted by the Council's Scrutiny (Audit and Value for Money) Committee at its meeting on 23 September 2021.

Yours faithfully

# E. Audit letter in respect of delayed VFM work

Councillor Adam Clarke  
Chair of Scrutiny (Audit and Value for Money Council Services) Committee  
East Staffordshire Borough Council  
23 September 2021

Dear Councillor Clarke,

Under the 2020 Code of Audit Practice, for relevant authorities other than local NHS bodies we are required to issue our Auditor's Annual Report no later than 30 September or, where this is not possible, issue an audit letter setting out the reasons for delay.

As a result of the ongoing pandemic, and the impact it has had on both preparers and auditors of accounts to complete their work as quickly as would normally be expected, the National Audit Office has updated its guidance to auditors to allow us to postpone completion of our work on arrangements to secure value for money and focus our resources firstly on the delivery of our opinions on the financial statements. This is intended to help ensure as many as possible could be issued in line with national timetables and legislation.

As a result, we have therefore not yet issued our Auditor's Annual Report, including our commentary on arrangements to secure value for money. We now expect to publish our report no later than 31 December 2021.

For the purposes of compliance with the 2020 Code, this letter constitutes the required audit letter explaining the reasons for delay.

Yours sincerely,

Michael Green

Director

This letter does not form part of the report to Those Charged With Governance under ISA260.
