Dear Sirs

**East Staffordshire Borough Council**  
**Financial Statements for the year ended 31 March 2021**

This representation letter is provided in connection with the audit of the financial statements of East Staffordshire Borough Council for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the Council financial statements are presented fairly, in all material respects in accordance with International Financial Reporting Standards, and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

**Financial Statements**

- i. We have fulfilled our responsibilities for the preparation of the Council's financial statements in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 ("the Code"); in particular the financial statements are fairly presented in accordance therewith.
- ii. We have complied with the requirements of all statutory directions affecting the Council and these matters have been appropriately reflected and disclosed in the financial statements.
- iii. The Council has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has

been no non-compliance with requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.

- iv. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- v. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. Such accounting estimates include the valuation of land and buildings (including surplus assets and investment properties). We acknowledge the material valuation uncertainty noted in the Council's calculation report from one valuer. This is on the basis of uncertainties in markets caused by Covid-19, and we are satisfied that there have been no material impairment of asset values as assessed by the valuer. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. We understand our responsibilities includes identifying and considering alternative, methods, assumptions, or source data that would be equally valid under the financial reporting framework, and why these alternatives were rejected in favour of the estimate used. We are satisfied that the methods, the data, and the significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in accordance with the Code and adequately disclosed in the financial statements.
- vi. We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- vii. Except as disclosed in the financial statements:
  - a. there are no unrecorded liabilities, actual or contingent
  - b. none of the assets of the Council has been assigned, pledged, or mortgaged
  - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- viii. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- ix. All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- x. We have considered the misclassification and disclosures changes schedules included in your Audit Findings Report. The Council's financial statements have been amended for these misclassifications and disclosure changes and are free of material misstatements, including omissions.
- xi. We have considered the unadjusted misstatements schedule included in your Audit Findings Report and attached in the Appendix to this letter. We have not adjusted the financial statements for these misstatements brought to our attention as they are

immaterial to the results of the Council and its financial position at the year-end. The financial statements are free of material misstatements, including omissions.

- xii. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xiii. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xiv. We have updated our going concern assessment and cashflow forecasts in light of the Covid-19 pandemic. We continue to believe that the Council's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that :
  - a. the nature of the Council means that, notwithstanding any intention to liquidate the Council or cease its operations in their current form, it will continue to be appropriate to adopt the going concern basis of accounting because, in such an event, services it performs can be expected to continue to be delivered by related public authorities and preparing the financial statements on a going concern basis will still provide a faithful representation of the items in the financial statements
  - b. the financial reporting framework permits the entry to prepare its financial statements on the basis of the presumption set out under a) above; and
  - c. the Council's system of internal control has not identified any events or conditions relevant to going concern.

We believe that no further disclosures relating to the Council's ability to continue as a going concern need to be made in the financial statements
