EAST STAFFORDSHIRE BOROUGH COUNCIL

Audit Committee

Date: 8/2/24

TITLE:	Treasury Management Strategy Statement and Annual Investment Strategy 2024/25	
PORTFOLIO:	Finance	
HEAD OF SERVICE:	Lloyd Haynes	
CONTACT OFFICER:	James Hopwood – Chief Accountant	ext. 1139
WARD(S) AFFECTED:	All	

1. Purpose of the Report

- 1.1 The Treasury Management Strategy Statement fulfils various statutory requirements and best practice guidelines in respect of the council's treasury activities and also its capital investment plans.

2. Contribution to Corporate Priorities

- 2.1 The treasury management strategy contributes to all corporate priorities by minimising the cost to the council of borrowing to finance its Capital Programme, whilst at the same time maximising the council's income from the investment of surplus funds and maintaining the security and liquidity of investments.

3. The Treasury Management Strategy Statement and Annual Investment Strategy

- 3.1 The council is required to operate a balanced budget, which means that income raised during the year will meet expenditure. Part of the treasury management operation is to ensure that the flow of cash is adequately planned, with cash being available when it is needed. Surplus monies are invested in suitable counterparties, providing adequate liquidity initially before considering investment return.

3.2 The attached strategy has been considered by the Audit Committee and the Committee recommended that Full Council approve the Strategy, as set out within Appendix A. Further details on the treasury function are set out within the strategy which covers:

- the role of Treasury Management;
- risk management (in the context of treasury management)
- capital plans and prudential indicators
- the Minimum Revenue Provision (MRP) policy.
- the council's current treasury position;
- treasury indicators;
- prospects for interest rates;
- borrowing strategy;
- investment strategy and creditworthiness policy;

3.3 The Local Government Act 2003 and supporting regulations requires the Council to 'have regard to' the Prudential Code for Capital Finance in Local Authorities and to set Prudential Indicators for the next three years to ensure that the council's capital investment plans are affordable, prudent and sustainable over the longer term.

4. Financial Considerations

4.1 This report deals solely with financial matters.

5. Risk Assessment and Management

5.1 The main risks to this report and the council achieving its objectives are set out within section 2 of the strategy statement. These cover interest rate risk, inflation risk, market / credit risk and liquidity risk.

5.2 The risks are referred to in the Risk Register.

6. Legal Considerations

This section has been approved by the following member of the Legal Team: John Teasdale

6.1 The Local Government Act 2003 requires local authorities to have regard to the prudential code for capital finance. In addition the Capital Finance Amendment Regulations (S.I 2008/414) requires the authority to determine a Minimum Revenue Provision policy each year. This report supports these statutory requirements.

7. Equality and Health

7.1 **Equality impacts:** An equality and health impact assessment is not required.

7.2 **Health impacts:** An equality and health impact assessment is not required.

8. Data Protection Implications – Data Protection Impact Assessment (DPIA)

8.1 A DPIA must be completed where there are plans to:

- use systematic and extensive profiling with significant effects;
- process special category or criminal offence data on a large scale; or
- systematically monitor publicly accessible places on a large scale
- use new technologies;
- use profiling or special category data to decide on access to services;
- profile individuals on a large scale;
- process biometric data;
- process genetic data;
- match data or combine datasets from different sources;
- collect personal data from a source other than the individual without providing them with a privacy notice ('invisible processing');
- track individuals' location or behaviour;
- profile children or target marketing or online services at them; or
- process data that might endanger the individual's physical health or safety in the event of a security breach

8.2 Following consideration of the above, there are no Data Protection implications arising from this report which would require a DPIA.

9. Human Rights

9.1 There are no Human Rights issues arising from this Report.

10. Sustainability (including climate change & change adaptation measures)

10.1 Does the proposal result in an overall positive effect in terms of sustainability (including climate change and change adaptation measures) No

11. Recommendation

11.1 To recommend that Full Council approve the Treasury Management Strategy Statement, Minimum Revenue Provision Policy, and Annual Investment Strategy 2024/25 set out in Appendix A to this report.

12. Background papers

12.1 n/a

13. Appendix

Treasury Management Strategy Statement and Annual Investment Strategy 2024/25 – Appendix A.
