Rough Sleeper Outreach Service (RSOS)

Identifies rough sleeper following referral or on fortnightly sweep. Assessment and assistance follow.

NSAP Interim Accommodation

Winter? If yes, an emergency bed is made available to facilitate assessment and move on into more settled accommodation.

Home4Me

Unsuitable for general needs accommodation via the Partnership? Possible referral into 2 bed properties which are commissioned to support high needs homeless individuals.

Please Note: This diagram is simplified. The journey of individuals with additional needs can often be less direct than this diagram indicates, and there will be a variety of personal and environmental factors to take into account which cannot be represented here.

The Navigator

Is the individual chaotic or entrenched? If yes, becomes involved as a specialist service with greater resources.

The Partnership

The RSOS, in conjunction with relevant Partnership colleagues and the Navigator will explore options for securing move on into appropriate settled accommodation.

Housing First

Are there intractable difficulties securing settled accommodation? This project is for those clients who are unable to manage in regular supported housing, due to previous failures or other specific obstacles (availability very limited).
