Licensing Objective

To prevent public nuisance:

The extended licensing hours will cause additional noise, alcohol consumption and traffic noise at very anti social hours. As a neighbour to the hotel this will impact on our family, and in particular our young child and their sleep and comfort.

Please suggest any conditions that could be added to the licence to remedy your representation or other suggestions you would like the Committee to take into account:

Currently the noise levels are of an acceptable level, although through the summer they begin to affect our sleep patterns. Our suggestion would be to keep the existing licensing agreement.
