Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

At least 1 month prior to any date on which licensable activities are to take place, the Premises Licence holder shall produce to the Event Safety Group (or their equivalent) an Event Management Plan and risk assessments which will cover the following (non-exhaustive) list of requirements:-

- Site Preparation
- Risk Management
- Health & Safety
- First/Aid Medical
- Fire Safety
- Capacity & Crowd Management
- Access & Egress
- Security
- Noise Management
- Emergency / Evacuation Plan
- Transport Management Plan
- Missing & Found Child Policy (if appropriate)

b) The prevention of crime and disorder

Prior to any of the dates when licensable activities are to take place at the premises, a risk assessment will be undertaken to determine an appropriate number of SIA registered Door Supervisors to be employed at the premises. Such number will be employed at the premises on the dates that licensable activities are to take place.

A log of those door staff shall be maintained at the premises and shall include:-

- (i) the number of door staff on duty
- (ii) the identity of each member of door staff and their SIA number
- (iii) the times the door staff were on duty

Entry to any event taking place under the Premises Licence shall be by ticket only. The Premises Licence holder shall use all appropriate media (website, social media and e-mail) to communicate appropriate information and conditions to ticket holders, in advance of an event.

The Premises Licence holder will make adequate provision for monitoring and controlling the number of persons entering the site by way of fencing, gate systems, security or other provision to manage entry, and to prevent unauthorised access to the premises or any part thereof.

The premises shall operate a zero tolerance Drugs Policy. Any person found using drugs will be removed from the premises. Any person found to be dealing drugs will be detained (when it is safe and reasonable to do so) and Staffordshire Police informed immediately. Any drugs seized will be securely stored and handed over to the Police following any event. The Drugs Policy shall be subject to approval by Staffordshire Police, such approval is not to be unreasonably withheld.

The premises shall operate a Search Policy to deter the carrying of drugs or weapons. Such Policy shall be written and subject to approval by Staffordshire Police, such approval is not to be unreasonably withheld.

Staff who are to sell alcohol will be trained in the requirements of the Licensing Act 2003 in relation to the Licensing Objectives, and the laws relating to underage sales and the sale of alcohol to intoxicated persons. This training will be documented, and details of it shall be produced to an Authorised Officer on request.

A Refusals Log will be maintained at each point of sale, recording the time of the refusal, the member of staff who made the refusal and the reason for such refusal.

Measures shall be put in place to prevent open containers of alcohol being removed from the licensed premises.

c) Public safety

Appropriate and sufficient First Aid and medical equipment/staff shall be available and employed at the premises throughout the course of an event. An assessment of First Aid Requirements will be undertaken with reference to relevant guidance, in order to determine adequate numbers of First Aid personnel and equipment.

The premises shall maintain a comprehensive Incident Log throughout the course of any event.

The Premises Licence holder shall have in place Public Liability Insurance.

No drinks will be sold or served in glass containers.

Access shall be maintained into and around the licensed premises for emergency vehicles.

Emergency exits will be determined and will be sufficient for the number of occupants on site. These Emergency exits will be available at all times.

The use of any smoke machines, special effects and fireworks shall be fully risk-assessed, and details shall be provided in advance to East Staffordshire Borough Council for their approval.

d) The prevention of public nuisance

Noise from amplified music or voices shall not be such as to cause a noise nuisance to occupants of nearby premises.

The Premises Licence holder shall appoint a suitably qualified and experienced Acoustic Consultant in relation to an event. The Consultant shall advise on acoustic arrangements and sound levels prior to an event.

Throughout an event, regular Noise Assessments will be completed by a competent person(s) at the boundary of any noise-sensitive premises. Steps shall be taken to reduce the level of noise, if the assessments deem it to be necessary. A record of these assessments shall be maintained, and shall include the time and location of each assessment, the person making it and the results - plus any remedial action taken (if required).

The premises and its exterior shall be cleared of litter at regular intervals throughout an event, and fully and promptly following the end of an event.

Notices will be positioned at the public exits to any event requesting customers to leave in a quiet and orderly manner.

A telephone number for use of nearby residents to report any concerns or issues shall be established and published prior to each event, with all calls to that telephone number being logged - together with any remedial action taken.

Measures shall be implemented and adhered to in order to manage queuing outside the licensed premises, where necessary. Queuing lanes will be used where necessary to manage crowds.

A Dispersal Policy shall be implemented and adhered to on an event-by-event basis, including details of the positioning of staff and door staff to manage dispersal of customers from the premises.

e) The protection of children from harm

The entry to the premises of persons under the age of 18 will be risk assessed by the Designated Premises Supervisor on an event-by-event basis. Where persons under the age of 18 are to be permitted entry to an event, those under the age of 16 shall be accompanied by an adult.

- 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

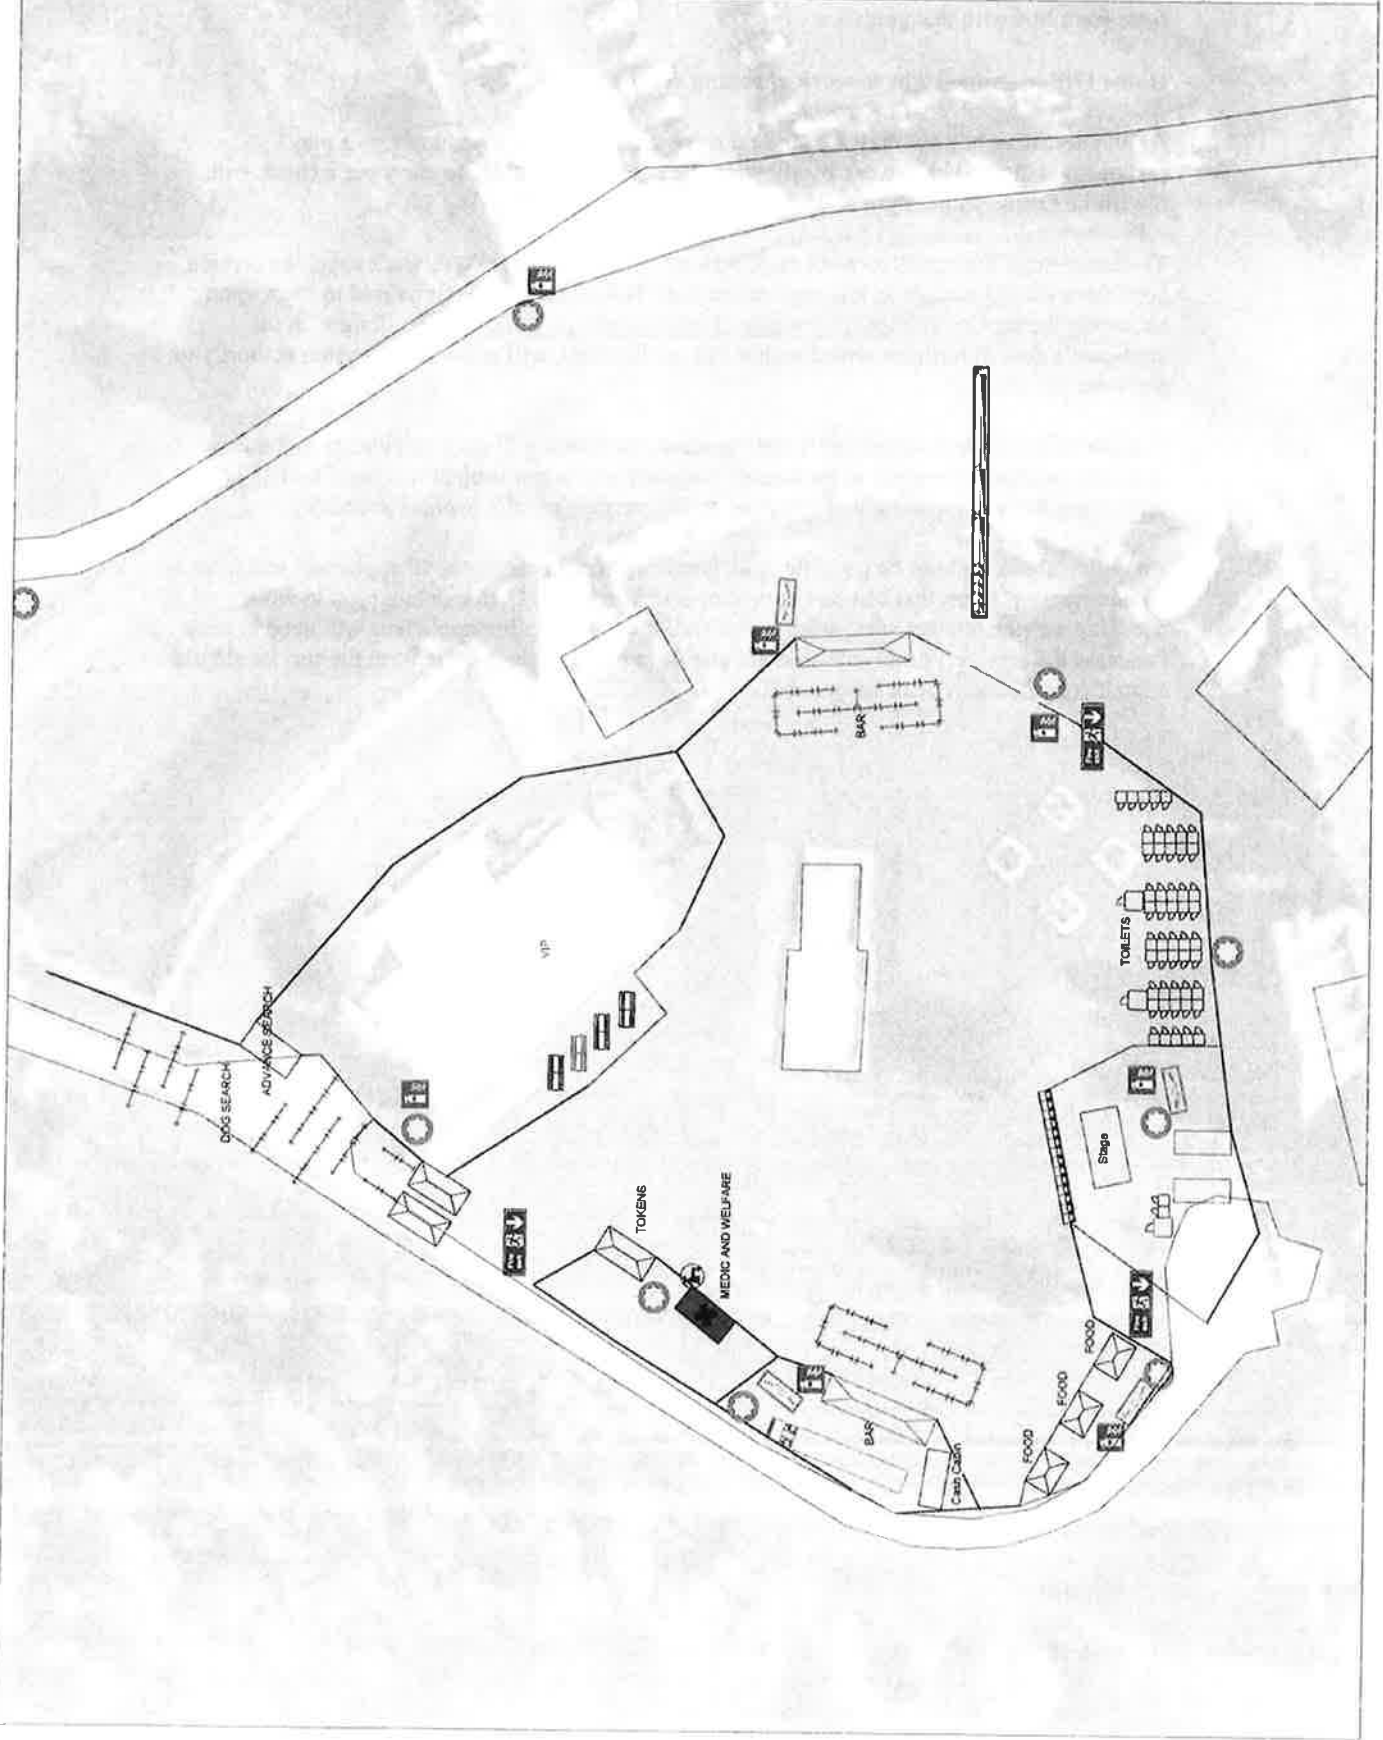

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
