Hi Helen

Thank you for clarifying the premises licence application for Shobnall Sports Club and we do want to carry on with the representation.

Specifically on the licensing objectives-Public Nuisance. The present licence application is trying to increase from the original premises licence :

Longer trading hours
Outdoor entertainment
Increased size of premises.

All three will have a detrimental effect on Public Nuisance to the local community.

Kind Regards

I note in your representation that you are objecting in respect of Public Nuisance and their current Licence granted hours. Having checked this their current hours are:

Live music – Indoors – Monday to Saturday 1000 to 2300hrs, Sunday and Good Friday 1200 to 2230hrs and Christmas Day 1200 to 1500hrs and 1900 to 2230hrs

There are no opening hours of the Premises

The Licensed area is for the clubhouse only under their current Premises Licence not the Motorbike club of which they are adding on.

Therefore are you still wishing to object to the new Application

Ref - Representation to object to the Premises License Application for
Shobnall Sports and Social Club

Dear Sir/Madam

I am writing my representation against the application the Premises License Application for Shobnall Sports and Social Club based on the Licensing Objective:

To Prevent Public Nuisance

I accept the business was established before Belway Homes built the estate (Bridgewater Rd) and I do not object to listening to "break out" of live and recorded music up to a point. Noise pollution is a proximity issue and our property is directly behind the sports and social club. We obviously knew this fact when we purchased and do not want to interfere with their business and want to encourage them to prosper and keep jobs in Burton-Upon-Trent.

My representation is based upon the new premises license application which seems to want to extend the licensable activity of entertainment into the next morning and increase the size of the premises.

- If the previous licence was 11pm, entertainment had definitely gone past this time which makes it unauthorised and an offence under the Licensing Act 2003
- If parts of the club have not been licensed but used for Licensable activities that again is unauthorised and an offence under the Licensing Act 2003.

I believe the correct decision is to exclude the licensable activity of entertainment post 11pm from the application. The application should be aligned to the original license granted for the Sports Club and this would

bring a mutually beneficial relationship between the regulatory authorities, the premises and local residents of Bridgwater Rd.

I wish the club all the best for the future however I do believe that granting the new license in its present format will **not** be promoting the licensing objectives of the Licensing Act 2003

Kind Regards
