

## Appendix 2

### Licensing Act 2003 - Matrix of Changes 2019

Section	Description of change
1	Introduction – amendment to date of policy and population figures – The new date would be 2020 – 2025. The population has changed from 110,650 in 2010 to 117,600 in 2017
2	Change to the definition of alcohol – this is to include that the licensing legislation regulates the sale of by retail of alcohol (in any state)
6	Update of table for Delegation of Functions – this identifies which groups and officers can make decisions regarding licensing applications and matters
12	Update Cumulative Impact Process – the new guidance and legislation puts Cumulative Impact on a formal footing therefore the information has been altered to reflect this
21	Removal of paragraph relating to Designated Public Places Orders (DPPO) replaced with Public Space Protection Orders(PSPO) – DPPO's no longer exist and were replaced in statute by PSPO's
25	Information regarding the Immigration Act 2016 – Entitlement to work – new legislation implemented
26	Late Night Refreshment – Powers to Deregulate – new powers for local authorities under the Licensing Act
