Margaret

I have not replied to this. I have checked and his vehicle is first registered 6/6/2011 therefore the 10 years finishes on the 5/6/2011.

His current vehicle plate runs out on the 19/4/21 therefore he will still need to renew this up until 5/6/11 if 4 month extensions are granted thereafter

Regards
H

Dear Sir/Madam,

I hope this email will find you well in health

I am writing this email to you as my Vehicle is approaching its end of life as per ESBC licencing rules, I am asking for an extension of a minimum of 4 Months due to me not being in a position to replace my vehicle.

Due to Covid 19 and lockdown work has been terribly slow and at present I do not have funds available to purchase a new vehicle and request that you consider my appeal for extension.

My vehicle details are below

Peugeot expert Tepee

Reg number

LN11UJU

PLATE NUMBER

HV0142

I would be grateful if you could reply to me at your earliest convenience so I know where I will stand, failing this request mean me looking for alternative work or unemployment. Its just to let you know that I have already submitted application for the renewal and I have already received its appointment as well.

Regards
