

East Staffordshire Borough Council

Meeting of Council on 13th December 2021

URGENT NOTICE OF MOTION

Council is asked to consider the following Motion under Council Meeting Procedure Rule 12 as urgent business:-

Notice of Motion –

The council has received a business case proposal from the Burton Market Action Group dealing with conversion of the market hall into predominantly a food hall offering. The council welcomes this initiative and shows appreciation to those involved for their passion, time, commitment and use of their own resources in putting this plan together. The council commits to fully investigate these proposals and to recommend to the Burton Town Deal Board that it utilises all of its resources to urgently consider this plan as an alternative or “Plan B” proposal to the one which is currently being considered by the County Council.

Reason for urgency:

I believe that this motion is Urgent as we have only recently (in the last two days) received the BMAG business case and the County Council at its meeting on 15th December will be debating a business case for an alternate proposal involving the Market Hall.
